This weekend of October 21st, 2018 is Respect Life Month. This year’s theme for October’s Respect Life Month is “Every Life: Cherished, Chosen, Sent.” It draws on the story of Our Lady of Guadalupe and St. Juan Diego, in which Mary appeared to him as a pregnant indigenous woman and sent Juan Diego with a mission to build a church that would draw more people to Christ, ultimately transforming a culture gripped by oppression and death. Resources in English and Spanish can be found at: www.usccb.org/respectlife

**Whiting/Robertsdale Faith Community ~ NEWS!**

**The 29th Sunday in Ordinary Time**

Today’s gospel from Mark 10 addresses a common problem of wanting first place without working for it. Jesus admonishes the apostles James and John with a question: “Can you drink the cup the I drink or be baptized with the baptism with which I am baptized?”

In life there is always a cost. Consider what you are willing to let go of or to stand up for, because following Jesus will necessarily require a change: a change of heart, a change of attitude, a change of things/situations we think are important.

Jesus, our Lord and savior desires our whole self!

“For the Son of Man did not come to be served but to serve and to give his life as a ransom for many.”

**INSPIRATION from the words of St. Mother Teresa of Calcutta**

“Let us be faithful, living branches on the vine, which is Jesus. With great determination and humility, we must love and serve each other. Then together, we will make something beautiful for God. If we are of one heart, full of love, if we love each other and the poor we [are called to] serve, then we will grow together in holiness.”

**OCTOBER – THE MONTH OF THE ROSARY**

As we enjoy crisp autumn days and starry evenings, we surely notice the Glory of God everywhere present in nature. Contemplating God’s majesty, revealed in rich autumn foliage and amazing cloud formations, our minds are lifted to our creator. What better way to “thank” God than by praying the hallowed Our Father’s and Hail Mary’s of each rosary decade. When we pause to contemplate each of the 20 Mysteries of the Rosary we are praying the Bible in miniature, since each mystery is taken from an important happening in the lives of Jesus and his mother Mary, as recorded in the gospels.

If you have not used your “beads” in awhile, October is a perfect time to pray at least one decade a day. You are encouraged to make it a family time, since prayer enhances family life. Contemplate the Joyful, Luminous, Sorrowful, and Glorious Mysteries online to help you pray the rosary. Lift family members, friends, our community, and our world in your daily prayers, knowing that you are in the blessed company of Jesus, our loving Mother Mary, and all the angels and saints.

*Life is fragile…handle with prayer!*

**The Feast of All Souls**

Our Catholic church prays daily for the deceased; however, on Friday, November 2, All Souls Day, we remember in particular all who have passed during this year to their eternal reward, prepared by our merciful, all loving God.

Throughout the years most of us have suffered the loss of loved ones: parents, children, spouses, friends, and Community members. The All Souls Prayer Service, Nov. 2nd 7:00 p.m. at St. John Church offers a fitting way to remember all those who have gone before us in faith and to pray for all our deceased family members, friends and in particular the faithful departed of this past year dating from Oct. 15, 2017 – Oct. 15, 2018. The prayerful gathering of our entire Whiting/Robertsdale Catholic Community brings both healing and peace.

You are encouraged to attend this year’s All Souls Prayer Service. It will include the naming of those individuals who have passed this year, as the church bell tolls, candles are lit, and prayers are offered. But we also remember all our deceased loved ones. May God be with us in our times of suffering, and grief.

**FAITH FORMATION**

**Faith Formation**

Faith Formation program is for children in Kindergarten through typically 8th or the Sacrament of Confirmation. Children prepare for the sacraments through this program, typically when the child is in 2nd, 3rd, and 8th grade. Children must have at least one year of formal Faith Formation before the reception of any sacrament. If you are interested in having your child prepare for their sacraments, please contact the rectory for registration information.

Faith Formation program is in need of Catechists (a catechist is an adult willing to teach the children their lessons and share their faith with them). Without adults willing to step forward, the Faith Formation program will need to be downsized. Please consider helping with this ministry. Call the rectory for more information.

**FROM THE PRINCIPAL’S DESK**

As a school, we are concentrating on the 5 values you see in the poster below. During each month, we pick a value and highlight it, acknowledge it, and celebrate its presence in our school community and culture. Yes, some are easier than others. Some just exist here. Others, we need deeply to emerge and guide our thoughts and actions instead of other values that tend to permeate around us. August-September had us concentrated on unity - coming back together and reforming the bonds of friendship, teacher-student, staff to family.

October has been a month of focusing on presence for us at SJH. We picked this Trojan 5 value to drive our thoughts, actions, and efforts during this month. We placed an emphasis on being present at Mass, with participation and enthusiasm. We wanted, as a faculty, to be present with each other, in professional and personal conversations. I wanted to be present for my family, my colleagues, and my staff. It is very easy to get lost in the endless emails, texts, and every other component that comes with the job and life in general. It is not easy to disconnect and to live life in the present. It has been a positive experience for all of us that have given this value a shot to exist in our lives. It is in this space that I have found trust, dedication, loyalty, and most of all, love. **How can you be more present in your life? Walk on this journey with us for the next 2 weeks. See how more aware of His Presence we all are!**

“...{We} should practice the seeking of God’s presence in all things, in their conversations, their walks, in all that they see, taste, hear, and understand, in their actions, since His Divine Majesty is truly in all things by His presence, power, and essence...this method is an excellent exercise to prepare us for great visitations of our Lord, even in prayers that are rather short.”

~ Letters of Ignatius Loyola, Charged with Grandeur.

**PEACE AND SOCIAL JUSTICE**

For Your Information.... #34

Social Justice Fact: The role of lay Catholics has changed dramatically over the course of the last forty years. It would be impossible to accomplish the social mission of the Church without the active involvement of its lay members.

A Gospel Message: “As I have loved you, so you also should love one another. This is how all will know you are my disciples, if you have love for one another.” (John 13: 34-35)

What can you do? Become involved with a parish, diocesan or community organization that works to accomplish the social mission of the Church, or become an advocate for those who have no voice in our society.

St. Vincent DePaul Society Report for the 3rd Quarter (Aug. thru Sept.)

Because of the continued generosity of our Catholic community, the St. Vincent DePaul Society was able to assist 133 needy families in our area, by providing a total of $8955.00 in support. The money was used to help the families meet obligations and needs in the following ways: 9 with rent, 100 with utilities, 16 with food, 3 with water, 1 with medical supplies, 2 with transportation, 1 with home repairs and 1 with car repairs. As always the St. Vincent DePaul Society thanks everyone who supports our ministry with their gifts and their prayers. Also we appreciate the help of the Salvation Army in verifying the needs of the families we serve.

GOSNELL ~ Five years ago Fr. Frank Pavone, Priests for Life, sat in a Philadelphia courtroom watching abortionist Kermit Gosnell go on trial, finally get convicted and imprisoned for life for the murder of babies born alive, killing a mother who came to him for an abortion, and violating multiple other laws.
The mainstream media is ignoring the film the way the media ignored the trial of abortionist Kermit Gosnell, the most prolific serial killer in United States history. It is important that every pro-life in the nation view this film. Contact Showplace 16 for show times.
